The Southern Maryland Higher Education Center was established by State Legislation in 1994 as the region's magnet for on-site graduate and bachelor's completion degree programs, with 35 high tech classrooms. Today SMHEC hosts 12 distinguished universities offering more than 90 academic programs in their entirety. Since 1995 over 27,000 class enrollments have been recorded and over 1,300 students have been awarded graduate degrees: Bachelors, Masters, Ph.Ds.
